The ASPCA Animal Poison Control Center, an operating division of the American Society for the Prevention of Cruelty to Animals (ASPCA), is the only animal-oriented poison control center in North America. It is a unique, emergency hotline providing 24-hour-a-day, 7-day-a-week telephone assistance. The Center's hotline veterinarians can quickly answer questions about toxic chemicals, dangerous plants, products or substances found in our everyday surroundings that can prove poisonous or fatal to animals.
